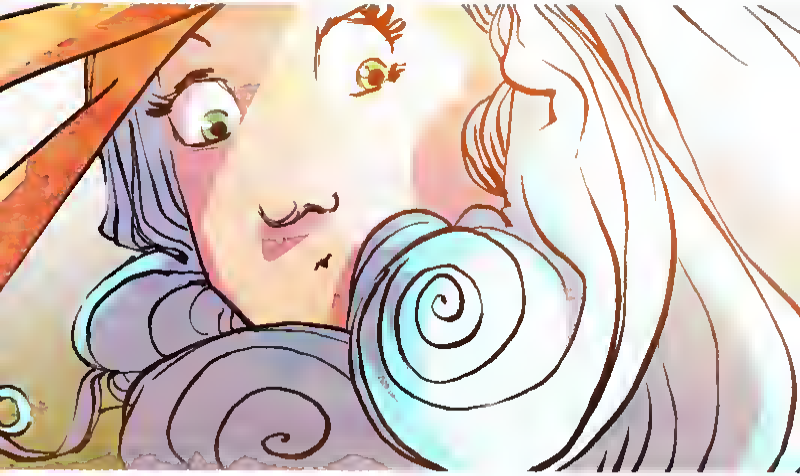
So you're just following me around protecting me?

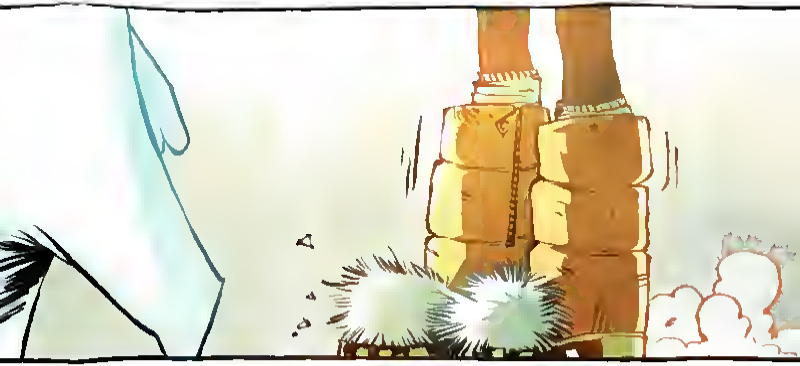


AAAARRRR
ZZZ

Even if he saw it go down, I bet I can salvage what I want before he gets there.

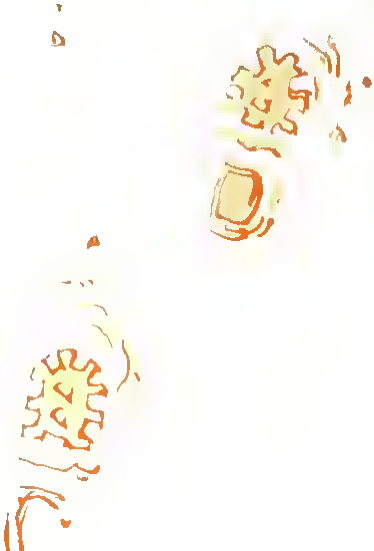
PUT PUTT
PUT PUT
But we still crashed!

So let me get this straight --
you've been following me around
for a couple of weeks now?



What makes you think I didn't?

"Well, technically no one ever is really supposed to see me. I just observe and protect in the ways I am allowed."



"You could
say that."

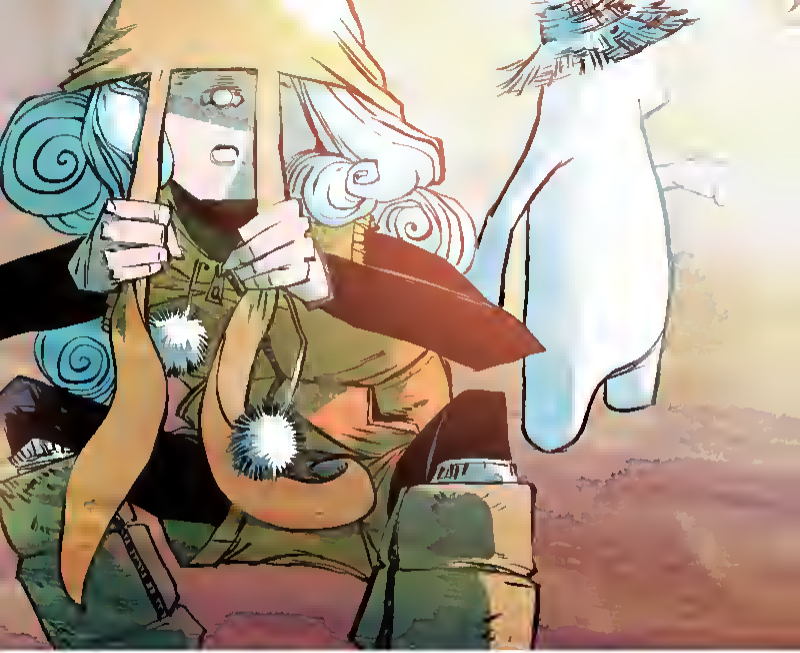
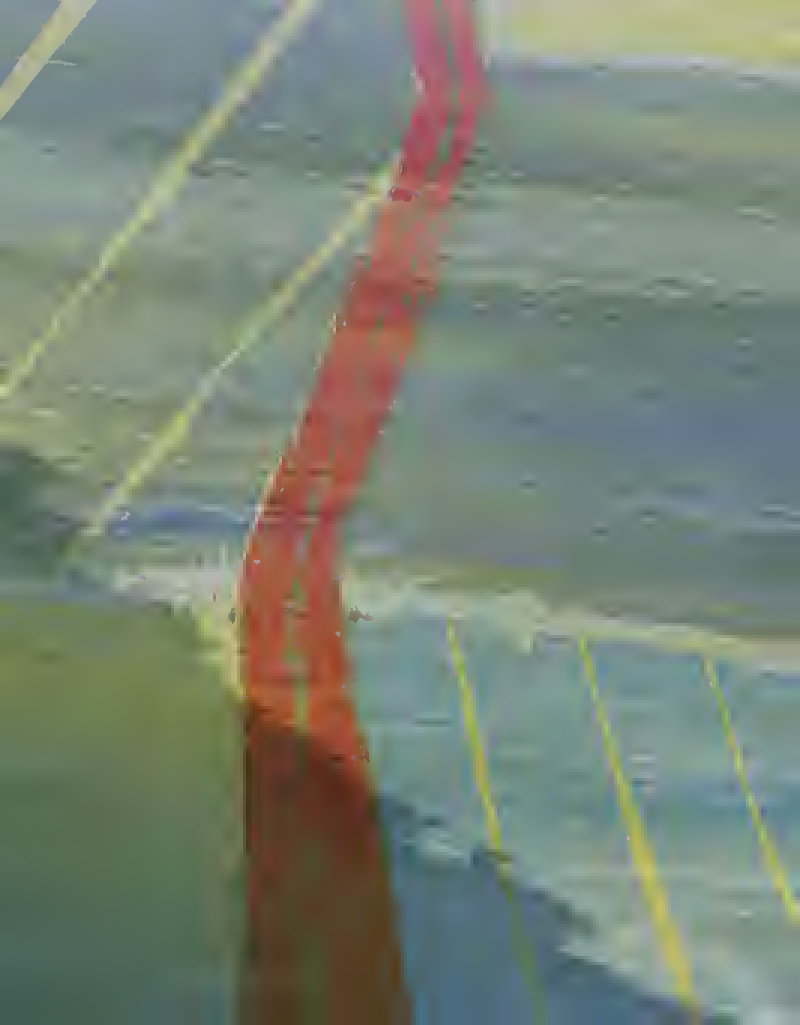
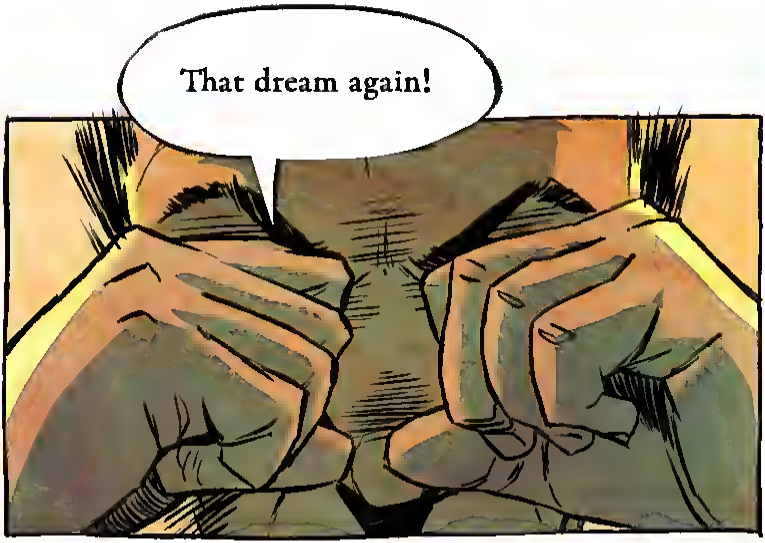
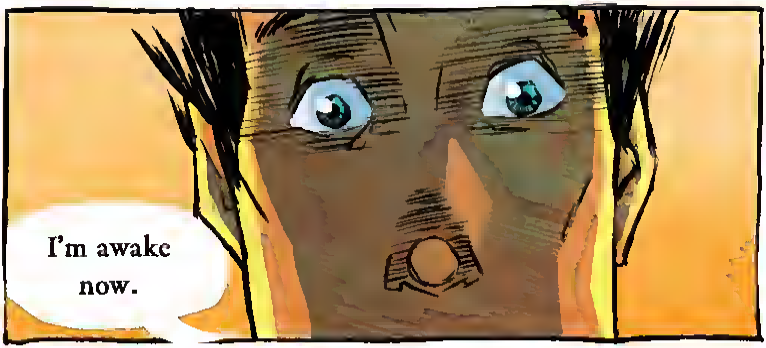
Well...
Yeah.
So where have you been this whole time, then?
Wherever you've been.







That dream again!



I'm awake
now.

This looks like
my lucky day.

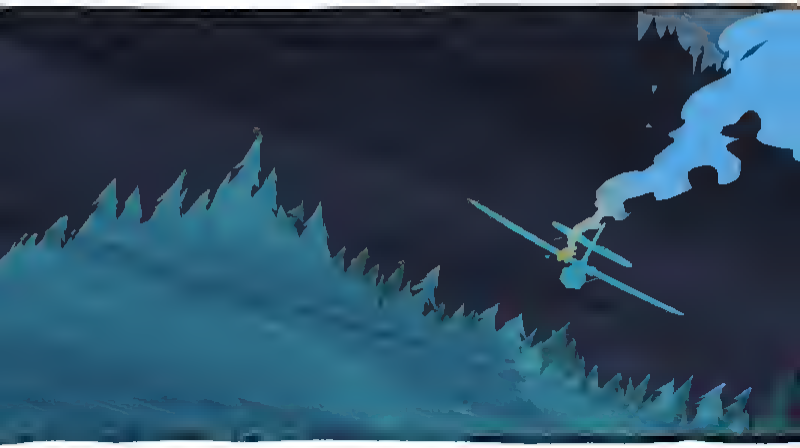
The next day...

Wait a minute!

If you were protecting me then why didn't you do something when my dad's plane was crashing!?

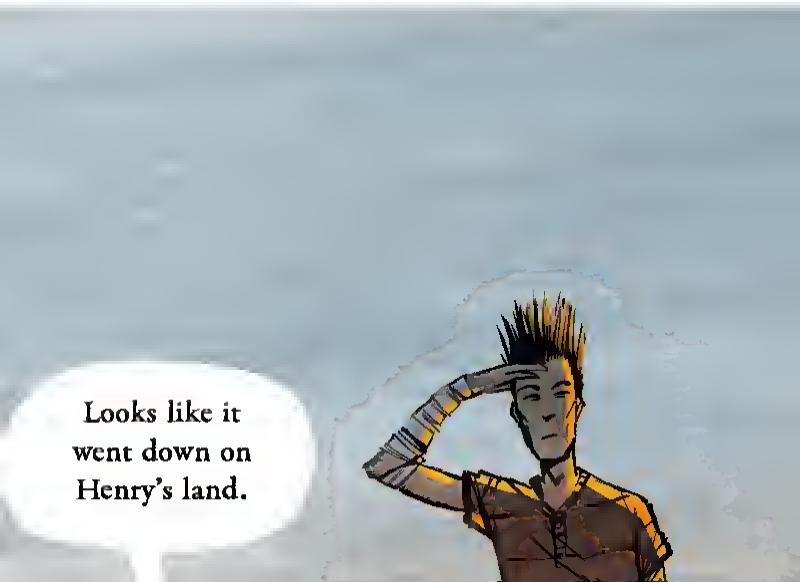
She thinks to herself then adds, "So why haven't I seen you before?"

And that plane ain't a dream.



I think my Mom once told me that if you were real good you would always be protected by something...
Yeah, it was a Sithrah!

Hey!
I'm sorry! Don't leave me!



Looks like it went down on Henry's land.
